Leslie Kumar, Designer

NYLA STAR is for the woman who wants the best and gets what she wants. She understands style, respects the classics, yet isn't afraid to be bold. She doesn't need to be the center of attention, but she's been known to turn a few heads.

NYLA STAR jewelry is composed of a sterling silver or brass base with 14 karat gold overlay. Clear and colored cubic zirconia add that something special.

Please visit nylastar.com for more information.
